Dear Parent or Guardian,

Renaissance Accelerated Reader Bookfinder is an exciting new online tool from Renaissance® that will help you find appropriate Accelerated Reader® books for your child to read. You can search two different ways for book titles that match your child's interests and reading level. Choose a method and follow the steps below:

Do an open search to create your own list.

1. Go to Accelerated Reader Bookfinder at this Web address:
<http://www.arbookfind.co.uk>
2. Click the **Quick Search** tab and type the author's name, a topic or a book title. Click the **Advanced Search** tab for expanded search options. Your search results will provide details about each book.
3. Click the **Add to AR Bookbag™** icon next to each book you are interested in to add the title to your virtual book bag. Click the **Remove from AR BookBag™** icon to remove it.
4. Click **AR BookBag™** to see a list of your selections.
5. Click **Print** to view the list in an Adobe Reader window. Then, click the printer icon to print your book bag list to take to your library or bookshop.

Or use a keycode to view my Teacher Lists.
